As you read this newsletter, 20 Gold Leaf Club members will have just enjoyed a magnificent trip to Hawaii, and we are looking ahead to new tours.

We have a few new ideas to introduce such as painting and glass fusing classes at the Brick District's Art House, along with some of your faves like trips to Busch Stadium, Arrow Rock and the casino.

Another idea we are working on is to attend events hosted by Westminster College, William Woods University, Stephens College or Columbia College, such as plays, concerts, speakers or even sporting events. We could meet for lunch or dinner, then enjoy the event together. Let us know your thoughts. The schools are working on fall schedules now, so we can make plans this summer to share with you in the next newsletter.

Who knew pokeno, cards and dominos could evoke so much fun, laughter and energy? Or maybe it's the crowd that plays! Whatever the reason, we sure do have fun. You are welcome to join us anytime! Check the Schedule of Events page for details.

As the bank's Market Street Drive Thru retires on April 15, our staff will relocate and will be available to help you from our South Bank location. Have you checked out the new ATM and Night Deposit behind the Main Bank on Court Street? It is conveniently located, easy to get in and out of and well lit.

We make it even easier now to sign up for events. Just call, email, stop by or register online. Our staff at all locations is ready to help, as is our Customer Care Team when you call in. See details on the Schedule of Events page.

As always, we appreciate you giving The Callaway Bank the opportunity to serve your financial needs. Now let's have some fun!
