COSTA RICA

April 28 – May 4, 2018

Costa Rica is home to a rugged rainforest located in Central America with coastlines along the Caribbean Islands and Pacific Ocean. Though its capital, San Jose, offers cultural institutions like the Pre-Columbian Gold Museum, Costa Rica is known for its beaches, volcanoes, and bio-diversity. Roughly a quarter of its area is made up of protected jungle, active with wildlife including spider monkeys and quetzal birds.

We will visit the Arenal Volcano, see and walk hanging bridges, raft our way down the Penas Blancas River to see monkeys, sloths and brilliantly colored birds. We will see coffee plantations and cross the Arenal Lake on a pontoon boat.. Hold on! That's not all! We'll see national parks, the Monteverde Cloud Forest and the Jungle Crocodile Safari on the Tarcoles River. The list just goes on and on, so plan to go with us on this wonderful, adventurous tour.

per person, based on
double occupancy

*Single supplement: \$300

- Round-trip airfare
- Airport transfers
- Hotels per itinerary
- All admissions per itinerary

WALKING DIFFICULTY:
