Oh, the Gold Leaf Club has had a fun summer!

We've enjoyed *Motown the Musical* at the Fabulous Fox, *Mamma Mia!* and *Beehive the Musical* at the Lyceum Theatre and *Leading Ladies* at the Maples

Theatre. Being the St. Louis Cardinals fans that we are, we always enjoy a day at Busch Stadium to cheer our team on.

For those who prefer to stay closer to home, our "Around Town Series" is going very well. We're having fun at the Art House in Fulton's Brick District where they teach

us to paint and make beautiful jewelry. Hey, these creations are worthy of giving as presents, if we do say so ourselves! I hope you'll take a look at the "Around Town Series" events coming up this fall and plan to join us.

We are pleased to introduce our new line of Callaway Bank credit cards. Choose from four Mastercards®, designed to give you the flexibility you want in a card, but from your local, community bank. There are a list of reasons to choose a Callaway

Bank credit card and our team is ready to tell you about all of them! You can also earn Rewards points by using this new credit card, much like earning points when you use your Callaway Bank debit card. Just ask a Personal Banker, contact Customer Care Team or check our website for all the details.

When ready to sign up for events, just call, email, stop by or register online. Our Customer Care Team can help you when you call in, and our lobby staff is ready when you stop by. Check out all the details and let me know if you have any questions. Watch for our winter 2018 newsletter with all the fun events we'll have planned for you next year. As always, we appreciate you giving The Callaway Bank the opportunity to serve your financial needs. Now, let's have some fun!

A William Woods
University Theatre
Production!

Saturday, February 24, 2018

Cost: TBD/pp

Somewhere in the middle of nowhere in the south, there's a place where the beehive hairdo is still the rage and Saturday nights are reserved for the tractor pull in nearby Pickler. A colorful collection of good ol' country folk gather around for this year's fair, and there's stiff competition in the Arts and Crafts category.

We'll enjoy lunch before an afternoon play at Dulany Auditorium at William Woods University in Fulton!

Planning For The Future Requires *Flexibility.*

Many investment and wealth management companies are starting to require their clients to use Advisory Services. While that may be a good fit for some clients, it is not necessarily a good fit for ALL clients.

Before you make a change, talk to us. We have the flexibility to offer Traditional Investment options, in addition to Advisory Services for those who need it.

The important difference is that we'll give you a choice. We'll meet with you and help you decide which is the best option for your financial situation.

COSTA RICA

April 28 – May 4, 2018

Costa Rica is home to a rugged rainforest located in Central America with coastlines along the Caribbean Islands and Pacific Ocean. Though its capital, San Jose, offers cultural institutions like the Pre-Columbian Gold Museum, Costa Rica is known for its beaches, volcanoes and bio-diversity. Roughly a quarter of its area is made up of protected jungle, active with wildlife including spider monkeys and quetzal birds.

We will visit the Arenal Volcano, see and walk hanging bridges, raft our way down the Penas Blancas River to see monkeys, sloths and brilliantly colored birds. We will see coffee plantations and cross the Arenal Lake on a pontoon boat. But hold on, that's not all! We'll see national parks, the Monteverde Cloud Forest and the Jungle Crocodile Safari on the Tarcoles River. The list just goes on and on, so plan to go with us on this wonderful, adventurous tour.

\$3,125*

per person, based on
double occupancy

*Single supplement: \$300

INCLUDES:

- Round-trip airfare
- Airport transfers
- Hotels per itinerary
- All admissions per itinerary
- All meals per itinerary

WALKING DIFFICULTY:
