A William Woods University Theatre Production

Saturday, February 24
William Woods University, Fulton

Somewhere in the middle of nowhere in the south, there's a place where the beehive hairdo is still the rage and Saturday nights are reserved for the tractor pull in nearby Pickler. A colorful collection of good ol' country folk gather around for this year's fair, and there's stiff competition in the Arts and Crafts category.

We will have lunch and attend the play at William Woods University. (Your cost) It will be nice just to get together and visit! Please call or email Loretta for reservations.

Missouri's wintry weather did not keep us from enjoying our annual holiday gathering in Columbia or the Holiday Brunch in Fulton this year. It was wonderful visiting with so many of you. These

events are just one of the ways we can show our appreciation to each of you for your business, and especially for your relationship. Now, sit down with a warm cup of coffee or tea, curl up in your favorite chair and take a look at all we have planned! No two ways about it, we're going to have more fun in 2018! Whether it's a

magnificent trip to Costa Rica or plays at the Lyceum Theatre in Arrow Rock or Glass Fusing classes at The Art House in Fulton, you can bet we're going to enjoy being together. That's what we do.

Supporting our young people is important to us, so we'll attend two plays in Fulton: the first-ever production by the TRYPS Institute Children's Theatre at the newly renovated Brick District Playhouse and another at William Woods University. Let's have lunch and cheer these rising stars on!

When you are ready to sign up for events, just call, email, stop by or register online. Our Customer Care Team can help you when you call in, and our lobby staffs are ready when you stop by. Check out all the details on the Schedule of Events page.

As always, we appreciate you giving The Callaway Bank the opportunity to serve your financial needs. Remember, you are always welcome to invite a friend along a time or two who is not a GLC member. Who knows, they might want to join us!

Now, let's have some fun!

We will stop for lunch (on your own) at a location we bet you have never been before!

Menopause the Musical has painted a vivid, rib-tickling portrait of four women confronting the troubles of middle age for audiences in hundreds of cities all over the world. The show tells the story of four strangers, meeting by chance at a department-store lingerie sale, who begin to commiserate on the travails of menopause, including hot flashes and mood swings, and spontaneously breaking out in song-and-dance routines. Parodying a suite of hits from the '60s, '70s and '80s, the musical's jaunty tunes encourage dialogue about women's health while eliciting copious chortles of recognition from guests.
